WINTER  
HIGHLIGHTS '25

# Capsule 9 Effortless Motion.

As we slowly move to the end of the year, this capsule fuses fluid fabrics with structured tailoring. We see rich tones like Merlot, Black, Prosecco, and Ivory pair perfectly with festive fabrics, luxury knits and a touch of shimmer. Lace blouses or lurex are not just for parties. Unique combinations like a satin blazer with denim, a baseball cap paired with a dress, or an embroidered gilet with a jacquard skirt are easy yet sophisticated options for confident women on the go.

Delivery beginning of October 2025.
